## THE PASTOR'S PEN

***For everything there is a season, and a time for every matter under heaven.***

(NRSV Ecclesiastes 3:1)

Summer has gone and with the passing of summer, our first year "in exile" has passed. Now it is not a bad exile. We aren't facing hunger, or oppression, or violence here. We are living with friends. Oh sure sometimes the path between our two congregations has not been completely easy. But for the most part, we have been able to get along. But even though it has been fairly pleasant, this year has been a time away. We have been away from our church home. We have missed people who couldn't quite make the journey up here. We have had to change and give up traditions in working with our Northminster partners. This change is never easy. Yes there have been good times. Yes we have gone through big celebrations here like our 200<sup>th</sup> anniversary. We marked occasions like Mel and Shirley's 50<sup>th</sup> wedding anniversary. During our time here we have had a baptism. But also there have been hard times. We have said good bye to many good friends through funerals. We have had to deal with delays and budget problems with our project. We have shed some tears. All this has happened in one year.

I am not sure if any of you have ever felt exiled. Sometimes it can be a self imposed exile that gets us thinking about how things have changed. After years of working in Toronto, I had the occasion to go back to Vancouver in 2007. Vancouver is a city that I had lived in for 15 years before coming to Toronto in 2000. In some ways, the city had not changed. Stanley Park, the North Shore Mountains, the Lion's Gate Bridge, Pacific Centre Mall and the Downtown Eastside were all still there.

But even though many things had stayed the same, my impressions of Vancouver had changed in the 7 years since I had lived there. Vancouver seemed small compared to Toronto. Traffic problems were

different. The beautiful mountains separated me from home. And Vancouver had changed- it had evolved in new ways since I had left.

Maybe that is something for us to think about in this year when we hope to be moving back to 3180 Bathurst Street. In one way it will be wonderful to get back. Back under our own roof. Our committees will establish a way that they need to operate. We won't have to share offices, or bulletins, or kitchens etc. Won't it be great.

But it won't be exactly the same. We will have changed in our year away. We will have learned new ways of doing things, some of these which we might want to adapt when we get home. And our neighbourhood will have changed in the time when we have been away. Certainly we will have new neighbours from the condo next door, but I am sure our neighbourhood will continue to have evolved during our exile.

Certainly the bible can relate to stories like that. We know how the best and brightest were taken to Babylon during the captivity. Then it was time for them to come home. I am sure most were excited to go back home. But things had changed. The captives had learned much during their time in Babylon. The Babylonian culture, for good and bad, had become part of the Jewish culture. And when the captives got back home, they realized that Jerusalem had not stood still. It had evolved as well. It took some time for all of these differences to be worked out.

So I wish us well, as we go through this last year before we get home. The road will not always be easy, but together and with God's help we will survive. Blessings.

## SENIOR CHOIR

The choir members from Asbury and West continue their hard work with the members of the Northminster choir.

## Sing Praises of Thanksgiving

Lloyd Ostrom has tendered his resignation from choir due to recent health issues. We appreciate the many, many years of faithful membership Lloyd has given.

The William R. Shewalter Memorial Organ fund continues to grow with two recent donations in honor of Melvyn and Shirley Beckles' 50th wedding anniversary. In addition, the choir will be making a donation from choir funds in the amount of \$3849.31. This will bring the total amount in the fund to \$39,117.78.

As you may be aware the cost of a new organ exceeds the funds on hand and your help is needed to help us raise additional money; please do so by contributing to the organ fund.

*Mel Beckles*  
*Choir President*

Editors' Note:  
We will truly miss Lloyd's wonderful solos.

## COMMUNICATIONS MINISTRY

Well, Autumn's officially here. It's a time to get back to routine and connect with friends we may not have seen over the Summer, like perhaps our Ministry Groups.

Communications will be off to a good start. We are planning to give more updates on the life of our church at our Progress Reports on selected Sundays after church. This coming year, we will be asking the chair of each of the Ministry Groups, in turn, to address the congregation and let us know what the group does, who's in it, and anything new that they are doing. It will be a great way to keep the rest of the congregation involved in our Ministry Groups.

If you have access to a computer, please take the time to see the Asbury and West United Church website. There are links to Darren's blog on this site.

Don't forget: any and all suggestion and requests are always welcome. Please contact me through email at [communications@asburyandwest.org](mailto:communications@asburyandwest.org) or leave me a message in the red accordion file in the Narthex.

## THE REV. DOUGLAS MCKENZIE MEMORIAL WALK

### September 23, 2012

What a wonderful time we had on this walk of remembrance in honour of our past minister and friend. We started off after lunch and stepped out into the brisk air and sunshine. Then the fun began – the skies opened up and down came the rain – a blessing from heaven. Yes, we scrambled to stay reasonably dry but mostly to no avail. Then, just as quickly as it came, the sun came shining through again. When we congregated back at the church parking lot there was a sense of accomplishment, lots of laughter and sharing of stories. We were happy that Heather, Scott and Peter could walk with us. What a great day!

Thank you to all the walkers and supporters. Signed to walk were:

Veronica Ennis	Irene Ty	Marjorie Lavine
Yvonne Lampkin	Nidia and Jose Polo	Kamano Gashoka

## *IN FLANDERS FIELDS*

In Flanders Fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved, and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch, be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

*By: Lieutenant Colonel John McCrae*

Mildred Franklin from our congregation has been awarded a Life Membership in the Central Ontario Christian Ashram. At the presentation, her many years of attendance and service were mentioned. She was described as a "Prayer Warrior" and a person who allows God to shine through her. At 96 years Mildred was the oldest attendee at this year's Ashram. The Ashram began in 1960 with members of Asbury and West who met together each summer for a retreat in Belleville. Two years ago another Asbury and West member, Joan Guinn, had also been awarded a Life Membership.

## WORSHIP, SACRAMENTS AND MUSIC MINISTRY

Our congregation is in our second year of sharing worship with Northminster. The services are outlined for the whole year, until June 30<sup>th</sup>, 2013, when our friends at Northminster will move to their new home on Cummer Avenue. During this year, we will share in special services planned to celebrate Northminster's service in their community. And while Northminster celebrates their history, Asbury and West have work to do in planning our own future. We have decisions to make about worship services in our renovated church. On some Sundays during the coming months, we will again gather on our own as our minister leads us in making plans.

### ***With the pledge campaign just around the corner.....***

"Budgeting is telling your dollars where to go instead of asking them where they went." ~ Roger Babson

"No church is a spiritual success that is a financial failure." ~ Author Unknown

"Every Christian needs two conversions; one of his heart and one of his pocket book." ~ Martin Luther King

God loves a cheerful giver. 2 Corinthians 9:7

Being a Christian is like being a pumpkin. God lifts you up, takes you in, and washes all the dirt off of you. He opens you up, touches you deep inside and scoops out all the yucky stuff -- including the seeds of doubt, hate and greed. Then He carves you a new smiling face and puts His light inside you to shine for all the world to see.

## FINANCE MINISTRY

"The problem with our church is that they are always asking for money." How many times have you heard that, or thought it yourself? The truth is: our church lives in a material world and there are bills to pay. Our building renovation plans are coming along and we are looking forward to returning to 3180 Bathurst at the earliest possible moment. However, we still need to pay the bills. We must pay our fair share of the upkeep of Northminster United Church while we are here, but we no longer have rental income from our tenants. Please pledge what you can to help the Finance Committee balance the budget in 2013.

Our annual Pledge Campaign will start Sunday November 4<sup>th</sup>. We will be asking you to help us by contributing on a regular basis. The traditional donation envelopes are available or you may prefer to give what you can when you can. The best way to provide financial assistance to our church is through the PAR system.

### **PAR means Pre Authorized Remittance**

When you enroll in PAR, your bank will automatically transfer your pledged amount once a month. You may already have automatic debits from your account so this would be nothing new for you.

There are many advantages to PAR:

- ~ PAR is convenient. There is no cheque writing and less work filling out donation envelopes.
- ~ You are able to support your Congregation even when you are away.
- ~ You may change the amount of your contribution at any time with 15 days notice.

PAR authorization forms are available in the Narthex or fill out the Pledge Form below and give it to Cheryl Holliday or Alan McKenzie in a sealed envelope marked Pledge Form. No matter which method of donating you choose, you will receive a tax receipt.

*Alan McKenzie, Chair*

## FEDERAL GRANT

On August 31, our MP, the Hon. Joe Oliver visited our renovation site at 3180 Bathurst Street. Mr. Oliver presented our minister, Darren Liepold, with a cheque for \$50,000. This cheque is a grant towards making our building more accessible, and will be a great help with ramps, accessible washrooms and elevators. A small but enthusiastic group of our congregation and friends came to express our thanks. We must be grateful to Mr. Oliver for his continued interest in our church and our future.

## SURVEY SAYS.....

During the summer months our congregation had occasions to worship alone. In the course of these services Rev. Darren talked about our journey as the people of Asbury and West and gave us two detailed survey to complete. (If you did not complete the surveys, it is never to late to speak with Rev. Darren.) The results of the surveys are on the following pages, word for word as written by the individuals. Please note that all names and initials have been removed for this publication to protect our members' privacy.

When you take time to read through the answers, you will learn so much about the people who sit with us each Sunday or attend mid-week programs. You will gain insight into the hopes, dreams and visions our members have for the congregation and the community. Most of all, I believe you will feel the profound love we have for our church and see how deeply committed we are to the future of Asbury and West.

In the coming weeks and months, Rev. Darren will continue to guide us on our journey with special services and workshops. I ask that you be sure that your voice is heard as we determine how we will turn our vision and commitment for our church into practice.

*Jocelyn Shewalter-Patterson, Chair, Council*

### 5. Name three things you love about this church?

friendly fellowship, members friendly, helpful, warm environment \* the many genuinely good Christians who I hope are my friends/our determination to survive/our desire to move forward in difficult and uncertain times, instead of looking backwards at what used to be. I don't see the necessity of owning a fancy organ when we can't afford it. Maybe later we could upgrade the congregational meeting people aren't attending and we should have everyone there. so we should be finding ways to include everyone and not have it be so boring use more visuals power points during the service also announcements on PowerPoint \* consult the congregation on decisions, too many committees, the church being made a conference centre

The Committee continues to work with members by encouragement. We are checking with absent members constantly. We work closely with the Care Line group. We are in touch with shut ins by phone, and, when necessary visits are made. Sadly within the last 2 months our Sympathy go out to the families of Aldythe Newton, Harry Hepburn, and Ethel Quinland.

## UCW CELEBRATES 50 YEARS IN 2012

During 2012, the UCW, across Canada have been celebrating their 50<sup>th</sup> Anniversary, called "Our Tapestry of love" The symbol of a threaded cross unwoven at all ends.

On Sunday September 16<sup>th</sup>, 2012, the UCW of Asbury and West, Newtonbrook, and Northminster, held a joint service, in celebration of 50 years of the UCW. The service was conducted by the UCW of the three congregations. The guest speaker was Mrs. Eleanor Nicol. She has been active in many areas of the United Church Women. ## ASBURY AND WEST ON THE INTERNET

Just to remind you that Asbury and West is on the internet. The church's web site [www.asburyandwest.org](http://www.asburyandwest.org) has been operating for about 2 years now. Because of our current situation in terms of our temporary location and ongoing renovation, our web site is being minimally maintained. The site contains our minister's Bio, Flock Talk issues, Location Map and Contact Information.

Once we are in our new location, the site will be re-developed to reflect the changes to our worship services and programs. ## BUILDING RENOVATION COMMITTEE

It's finally happening! We received our Building permit for the renovation of our Church Home at the end of July and Kembic Construction moved in to start renovations August 1<sup>st</sup>. Our general contractor, Kembic Construction, estimates that the work they have to do will be completed sometime in June 2013. Watch the bulletin board in the hall of Northminster for photos of the work in progress.

Members of the Renovation Committee researched church organs and sound systems over the summer and are about to place orders for these important items. Plans are in the works for a new kitchen which will be located on the 2<sup>nd</sup> floor.

We started the process of identifying who will operate the daycare in the basement. We visited Arpi Nursery School in their new location in Downsview and let them know that they will be given the opportunity to match the best offer we receive for the daycare space. Redeemer Baptist Congregation expressed their wish to return to our building as a second congregation so we will be discussing that possibility with them.

Our biggest challenge now is finding the money to complete the renovations. Our committee is doing everything they can to keep costs under control

without compromising the quality of the renovations. We met with Councillor Colle to ask for financial assistance and discussions are ongoing. We are grateful to the Federal Government who through Human Resources Development Corporation provided us with \$50,000.00 to help make the renovated building more accessible to those with mobility difficulties (see page 8). Fund raising events for the building renovation project are in the works. Please participate and give generously to the renovation project.

Our committee has undergone another name change. Years ago we started out calling ourselves the "Long Range Planning Committee". Once plans were established, we changed our name to the "Implementation Committee" because that best described that phase of the project but people outside the Congregation were not sure what was being implemented. We are now calling ourselves the "Building Renovation Committee" which everyone can understand. The committee name may change but it is still the same group of dedicated individuals who are determined that Asbury and West United Church will have a bright future in our newly renovated Church Home.

Building Renovation Committee*

## CHRISTIAN EDUCATION

Over the summer, the children participated in the Kids for Christ: Summer Edition and I would personally like to thank all those who volunteered to teach. There were some new volunteers this year and we are so grateful to them for their help and support. A job well done.

We'd also like to thank all the walkers, donors and helpers for their support of the Rev. Douglas McKenzie Memorial Walk (see page 4).

At the end of August we sadly accepted Alan McKenzie's resignation as Nursery Coordinator. Alan has worked with babies, toddlers and preschoolers since 1982 and we are so grateful to him for his many years of dedicated service and commitment. Many of our children both present and past, got their start in Church School with Alan, and even after they "graduate to the big Sunday School" we find that they have a hard time leaving Alan's side. Tough shoes to fill, for sure, but we are so happy that Dorina Datt has stepped up to take on this responsibility, with Melissa Masih assisting and others helping on occasion. We know that the children are once again in capable hands.

Returning teachers this year are Kim Davidson and Trissa Masih (grades SK-3) and Lydia Cariaga and Jean Birch (grades 4-7). Wendy Jang of Northminster has returned to lead the Youth Class. We are very thankful for the many hours these teachers put in to instruct our children and help them along their faith journey.

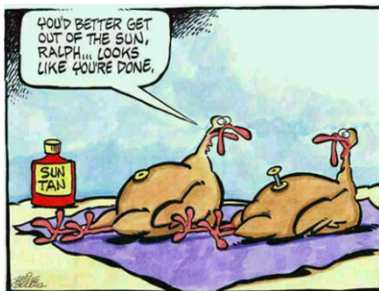

For adults – Darren will be leading a study starting in November. Check future bulletins for dates and times. Members of both churches are welcome.

And finally two important activities in the Christmas season to remember. Our Christmas Party will be on December 16, during Church School time with a visit from Santa. Christmas Eve Service we will once again present a nativity production. We encourage all children and youth to participate. A rehearsal will take place during Church School time on December 23.

Thank you again for all your support,

*Cheryl Holliday*  
Chair, Christian Education Ministry  
and Church School Coordinator

**Kids Corner**

Founded 1985

This month marks 27 years for the Asbury and West alternative women's group, now officially registered with the United Church of Canada as part of the Women's Ministries Network. Hard to believe we have made it this far, but we have a way to go before reaching the milestone that the UCW just celebrated. We were very privileged to be a part of their 50<sup>th</sup> anniversary celebration and want to add our thanks for their many hours of dedicated service over the years. Keep up the good work.

This being Thanksgiving Sunday, we want to thank you once again for your donations of toiletries to the North York Women's Shelter. We have been supporting this worthy service since our beginnings and know that they appreciate all our help.

A little early, but believe it or not we are already planning and looking forward to the congregational Christmas Pot Luck Dinner. This year it will be held on Saturday, December 1. Look for more information in future bulletins.

We invite all women to come out and join us. Our meetings vary in content - we may have a learning time or a social time. We all do our part to develop and lead a monthly program. We meet on the 4<sup>th</sup> Monday night of every month except January, July and August.

Thank you for all your support.

## TRUSTEES

It has been over a year since we vacated our church building for renovations. We frequently hear, "when will work commence, or will we ever get back to our building?" However, after all the obstacles satan threw in our path we can take a deep breath and shout **"Hallelujah, Hallelujah"**. The Building Permit was received on July 29, 2012 and work is now in progress.

On August 12th, members of the committee approved listing and conditions of Agreement in respect to leasing the church basement to a daycare operator. Many thanks to committee member Alan McKenzie for his tireless efforts to secure the most suitable Real Estate Broker, Collette Skelly, of ReMax Hallmark Realty. The listing was signed by the chair, and issued for August 27th. September 25th was set for the bids to be in and opened. Our present operator, Apri Nursery School, will be given the "Right of first Refusal" as we want to have the highest bid for the space. This is critical as we have over-run our renovation budget due to the many delays.

We also want to say a big **"thank you"** to Pauline McKenzie who was instrumental in looking to various government departments where grants were available to help with our renovation. So far we have received \$50,000 from the Human Resource Skill and Development. (see page 8 for feature article)

There is a great deal of work to be done, but the task is not beyond us and on the eve of this Thanksgiving as we sing "Come, You Thankful People, Come". We appreciate all those who journey with us and continue to have faith in the project.

## United Church 41st General Council in Ottawa August 11-18, 2012

Rev. Irene Ty attended the General Council meeting and highlighted the event during her sermon on Sunday Sept 23, 2012. Following is an edited excerpt from her sermon:

"I was honoured to be one of the commissioners at this year's General council which was held in Ottawa. It was my first time at a General Council. I was awed by the sheer size of it. Over 350 commissioners, in one big gymnasium, plus over 300 people who represented staff of general council, reporters, visitors and volunteers who helped to make this event happen. Six days of meetings, with one day in the middle of the week to take an excursion of our choice. I joined a busload of people to go on a hike in the Gatineau Hills and lunch at a local United Church in Quebec.

The over arching theme of General Council, was "do justice, love kindness, and walk humbly with your God", based on Micah 6:8. Former moderator Mardi Tindal in her opening address called for unity in the context of an action-oriented and intercultural church. She spoke about the humility required as our church moves into the future. She reminded us of the importance of listening to those who are vulnerable, including the young people. She spoke about the pain suffered by those who attended the Indian Residential School system. I quote: "When we have the courage to share in the sorrow of Aboriginal People, we allow the community to practice compassion".

An inspiring worship service began each of our days. The singing of a blend of traditional hymns and more contemporary music was led by a local church band. However, at the opening and closing worship, a 65 member mass choir from Ottawa-area United Churches came to add to the sound and rhythm of the gathering. On the last day, at the closing worship, youth led us in a spontaneous line dance that allowed us to move through the whole worship space.

There was also spontaneous singing. This came at a difficult time during the discussion on the Israel/Palestine report. People in one part of the room started singing "Lord, listen to your children praying". {Voices United #400} The singing and humming of this piece was soothing. It helped to calm us, so we could pause and take a deep breath, and the singing helped to invite the Spirit to guide and lead us.

There was time to share in table groups. There were 8 people at my table. We came from different parts of Canada, and one person was from Cuba, Miguel Castor from the Emmanuel Baptist church in Cuba, a partner of UCC. Our table also had a "young" man, who was under 25. The person that had the biggest impact on me was Marlene, an aboriginal person from Manitoba. She was always very honest, and what she shared always came from her heart, from deep inside her. She brought a perspective that was different from the others, a perspective that included her Indigenous community and a concern for the earth.

A momentous event took place at General Council. This was the signing of a covenant with our First Nations brothers and sisters that is to be read alongside the Basis of Union, a recognition and an honouring of their presence at the very beginning of the United Church, way back in 1925. As a symbolic statement of that truth, our Church crest was changed to include the four traditional colours and the phrase in Mohawk "akwe nia Tetewa:neren", which means "All my relations".

Many proposals come before the General Council. Proposals come locally, from congregations, from presbyteries, and from conference. There are always too many for the plenary alone to handle, so we were divided into 3 groups called commissions. Each commission was assigned proposals to deliberate and decide whether or not to accept. It was exciting for me to see what can happen to proposals, started by one person or a small group at a local congregation, then gain momentum and going through the different courts of the church, and then finally to General Council for deliberation and action. This gives me a lot of hope indeed!"

The Young at Heart seniors group met on September 13th to plan for the upcoming fall-winter session. Following is the programme:

- September 27<sup>th</sup> - Entertainment by Lisa Crawford
- October 4<sup>th</sup> - Bus trip, Big Chute fall colour cruise
- October 25<sup>th</sup> - To be announced
- November 8<sup>th</sup> - Pot luck lunch and movie
- November 22<sup>nd</sup> - Lunch and games
- December 13<sup>th</sup> - Entertainment and pot luck lunch

Once more we are appealing to members of Asbury and West who have reached their senior years who can spare a few hours on the Thursdays when we meet. All are welcome to join us.

### COPPER KETTLE

Ease yourself of the burden of carrying around all that loose change by placing it in the Copper Kettle that sits on the table in the hallway. The money in the kettle is used to help pay Asbury and West's ongoing expenses. During the summer we collected \$157.50. Please drop your coins either wrapped or unwrapped into the jug each Sunday. Folding money is also very welcome.

## Asbury and West has Relocated ...

**While we're renovating  
Please join us at  
Northminster United Church  
located at  
255 Finch Avenue West  
Willowdale, Ontario  
Tel: (416) 225-7941  
Reverend Irene Ty**

### Location

Northminster is located on south side of Finch Avenue, 1 block East of Bathurst.

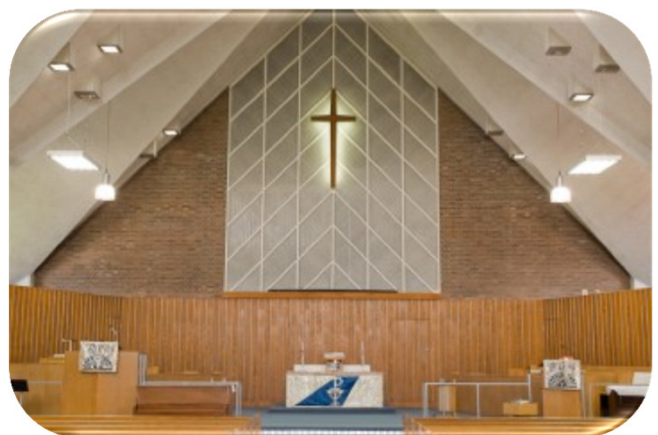

Sunday morning services begin at 10:30. If you're coming by public transit, you can take the subway to Finch station and then a 36 bus west approximately 1 kilometre. If you're coming by Bathurst Street, get off at Finch and the church is a short walk east along Finch Avenue. For those of you coming by car, there's parking on the south side of the church around the back.

### Building accessible

Yes (except for our washroom). There's a driveway off Finch Avenue where you can park. From there, go along the west side of the building to the side entrance (which is really the main entrance) where you'll find a ramp.

### Children

If your children are infants, we have a nursery where they'll be well cared for. Just ask a greeter or an usher about the nursery and they'll be glad to help you out. If your children are school-aged, bring them into the sanctuary with you. About 10 or 15 minutes into the services, there's a time for sharing with the children. After that, they'll go out to Sunday School with our volunteer teachers. Our teachers are here all summer long.

*Have you taken a few minutes in the past week to pray for members of our congregation who are in poor health, who are shut-ins, who cannot get out to church? Take a minute to phone one or two, or call to make some personal visits, or send out a couple of cards just to let them know we care about them. They'll appreciate your thoughtfulness. If we have forgotten any persons -- please let the Editors or the church office know.*

*Due to the Privacy Act in Canada, we are no longer able to publish any personal information such as home phone numbers and addresses. If you wish to contact one of our "Home Members", please contact the church office.*
